

THE EIGHT MONUMENTS OF THE HISTORY OF HUMANITY
THE CENTRAL OCTAGONAL *FELICITY STONE*™ IS A ROSETTA STONE FOR THE DISTANT FUTURE.

Inner triangular panels repeat the Humanity title panel text in Chinese, French, Hindi, Spanish, Arabic, Portuguese and Russian.

Outer triangular panels have quotations from the Bible, Winston Churchill, Confucius, John Donne, Mahatma Ghandi, Andre Gide, Seneca, and Shakespeare.

Inspired by Edward Gibbon (1737-1794)

"Unprovided with original learning, unformed in the habits of thinking, unskilled in the arts of composition, I resolved to write history in granite."

Jacques-André Istel
